

PRIVACY POLICY

Modified on: November 2020

Thank you for visiting Lies de Vooght Jewelry. Your privacy is very important to me. The information below is designed to inform you of what information I'm collecting, why I collect that information and how I use it. I will only share your personal information with third parties only in the ways that are described below and will never sell your personal information.

When you submit your personal information to me, you are giving me your consent to the collection, use and disclosure of your information as set forth in this Privacy Policy. I'm available to discuss your questions or concerns regarding this Policy and the privacy practices. I encourage you to check the date of the Privacy Policy each time you visit the website as sometimes I need to change the Privacy Policy to stay in compliance with the various regulations that govern privacy practices.

Browsing the Website

In general, you can browse the Website without telling me who you are or revealing any personal information about yourself. However in all cases, placing an order requires you to disclose personally identifiable information so that I may properly process and ship your order.

Personally Identifiable Information

Personally identifiable information includes: your name, shipping and billing addresses, telephone number, email address, and credit card and/or banking information. This information is used to process your order, ship your order, collect payment for your order, communicate with you regarding your order and allow you to receive marketing offers. Lies de Vooght Jewelry does not share this information with third-parties unless it is required to process your order, deliver marketing material or as required by governmental regulation. This information is never sold to third-parties.

Non-Personally Identifiable Information

Non-personally identifiable information includes: IP address of your computer, the type of computer or device you are using, etc. that allows us to deliver a positive user experience when shopping on our site as well as to detect and prevent fraud. Note that the non-personally identifiable information is not linked to any personally identifiable information you submit on the site.

Use of Cookies

We use session ID cookies and persistent cookies. A session ID cookie enables the shopping cart experience and expires when you close your browser. A persistent cookie remains on your hard drive for an extended period of time or is deleted by you.

You are free to decline the use of cookies, however, by declining the use of cookies, you may not be able to use certain features on the Website.
